

i-mop XL & i-mop XL Pro

**Stop cleaning with
regular mops
Start i-mopping**

Are you ready to clean faster?

i-mop[®] XL is a compact, effective and above all easy-to-use machine. Especially for all areas where you so far only have been able to clean manually with mops.

Savings per 300 m² vs. manual mopping

Energy
90%

Water
15.2 liter

Time
34 mins

Technical specifications

Run time
90+ mins

Practical
performance
1000-1300 m²/h

Brush speed
350 RPM

Faster

Cleans 75% faster than conventional mopping and 20% faster than equal size scrubber dryers proven by cleaning rates of up to 1300 m²/h.

Cleaner

Twin counter-rotating brushes make surfaces 90% cleaner than a mop and bucket, proven by ATP tests.

Greener

Uses water and cleaning agents efficiently, lowering environmental impact by 75% compared to typical scrubber dryers.

Safer

Cleans and dries floors almost instantly in 30 seconds or less, significantly reducing slip and fall hazards.

Better for everyone

Less strain on cleaners' bodies and a cleaner, healthier environment for everyone.

Why the i-mop XL is your choice:

Pro

Available in 2 versions
i-mop XL & i-mop XL Pro

Fast and efficient
Save up to 75% worktime

Dirt removal of 97%
Compared to 30-40% for traditional mopping

No more dirty edges
Scrubs right to the edge

17 cm

46 cm

1. 2 Speed settings (Pro)
Low noise setting for day time cleaning

2. i-link® (Pro)
All machine data available in the cloud

3. Antimicrobial tanks
This innovation allows the tank to remain cleaner and fresher between cleanings

4. i-dose® (Pro)
For easy dosing of liquids

5. Brushless motor (Pro)
